Board of Fire Commissioners  
Mr. Bruce Lemois, Chairman  
Re: sale of vehicles

Dear Commissioners;

The painted conditions of some of the fire hydrants within the Town have been neglected for some years, and contribute to a blighted condition. Fire Prevention Administrator Keri Smith has developed an idea to have a community contest in which children or adults would adopt a hydrant, and paint it respectfully, as a character or a solid color, and offer a prize to the winner (to be determined). I am asking for support to proceed with some guidelines and timeframes to help get the hydrants looking good again.

Sincerely,  
Kenneth A. Finlay
