# FC-R-2018-27-A

## CUMBERLAND FIRE DISTRICT

### Resolution

**RESOLUTION:** Authorizing the Fire Chief to manage the LED Lighting Energy Efficiency Project for all Stations with RISE Engineering and National Grid

**WHEREAS:** Much of the existing lighting is in disrepair and/or missing at the four Stations and must be replaced.

**WHEREAS:** National Grid and RISE Engineering have developed a proposal to replace existing lighting at the four Stations as included in the attached and incorporated "LED Lighting Energy Efficiency Proposal."

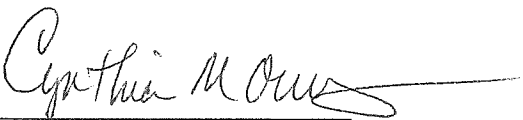

**WHEREAS:** The cost of the project for Stations 1 and 4 is \$646.54 per month for 60 months, to be financed by National Grid and a cost of \$16,921.00 for stations 2 and 5 due upon completion of the project.

**WHEREAS:** The total cost of the project will be paid off through energy savings in approximately 4 years (3.5 - 4.0 years, depending on Station; see attached) and continued energy savings will be realized on a monthly basis after full pay-off of the cost.

**NOW, THEREFORE, BE IT RESOLVED BY THE CUMBERLAND FIRE DISTRICT AS FOLLOWS:**

**RESOLVED:** The Fire Chief shall manage the LED Lighting Energy Efficiency Project for all Stations with RISE Engineering and National Grid, and the Business Manager may pay the sum of \$646.54 per month to National Grid for 60 months for Stations 1 and 4, and pay the sum of \$16,921.00 for Stations 2 and 5 upon completion of project.

Voted on this 23rd day of October, 2018
