Chief's Report for August 2019

Board of Commissioners Cumberland Fire District September 24, 2019

Board Members;

Attached are the monthly reports of activity for the month of August 2019. The run report shows 404 calls for service. The incidents are broken down by category with an attached report.

On August 25<sup>th</sup>, the Cumberland Professional Firefighters Local 2722 had another successful Touch-A-Truck event at Diamond Hill State Park. There were over 5000 attendees and the local collected over 2000 pounds of food for the RI Food Bank.

New this year was a 'Firefighter Challenge', this gave an opportunity for elementary school aged children to perform firefighter tasks in an obstacle course, set up and run by Cumberland Firefighters. This same course will be set up and running this coming Saturday at the Franklin Farms Harvest Festival and Tractor Show located at 142 Abbott Run Valley Road.

On 9/5/19, Truck 1 was sent to Ralco Equipment Company Inc. due to a lean to the driver's side, front end. Please see attached report based on their findings, invoice #10201. The truck is a 2000 KME referred to as a 'quint' in the fire service; a combination engine and with a 75' aerial ladder. The truck has a long history of expensive repairs including the electrical system, a major engine overhaul, and the fire pump being repaired. The aerial ladder was pulled from service last year after it failed its annual inspection due to the possibility of a catastrophic failure. This past year, it was used as a back-up engine when needed. Stating the above facts and the frame of this vehicle being deemed unsafe, it is my opinion that this vehicle be sold for an 'as is' type sale. It should be noted the regional Central Falls Ladder has been used as a backup for our current Ladder 1 and gives us credit with our ISO requirements.

On September 6, 2019, I received a letter of gratitude from the Johnston Fire Chief, Peter Lamb (attached). The Johnston Fire Department tragically lost a firefighter, Richard Gemma. In solidarity; Captain Craig Emerson, FF Bryan Clarke, FF David Cinq-Mars, and FF Gary Grenier worked a voluntary detail to provide station coverage so members of the Johnston Fire Department could say goodbye to their brother firefighter. I would like to add, this voluntary detail was filled within ten minutes of the notification. FF William Sullivan and FF Jacob Rivello represented the Cumberland Fire Department Honor Guard for the services.

On September 13<sup>th</sup>, Engine 1 and Ladder 1 attended a car show at 100 Mendon Road as they memorialized Cumberland Firefighter Christopher Borges. We suddenly lost FF Borges on August 30, 2018.

We have had two retirements this past month, Captain John Fogarty and Firefighter Robert O'Neill. Captain Fogarty had nearly forty years in the Cumberland Fire Service. He began as a volunteer with the Ashton Fire District; then he was promoted to full time status, where he completed over 29 years. Firefighter O'Neill had nearly 45 years of service to the Cumberland Fire District. He started as a volunteer with the North Cumberland Fire District then was promoted to full time status, completing over 30 years in that role.

On September 18<sup>th</sup>, the crew of Engine 1 (Lieutenant Michael Connors, FF Steve Duffy, FFOP Gregory Grimes) assisted Cumberland EMS (Dr. Meehan-Cousee, Paramedic Lieutenant Jason Gomes, Paramedic Olivia Gamache) with a childbirth in the residence.

September 21th, Engine 4 and Ladder 1 attended a community event at Cumberland Plaza while Engine 5 and Engine 1 attended the St. John Vianney Fall Festival. The events provided an opportunity for community relations and fire education.

Respectfully submitted,

Nicholas Anderson Acting Chief Cumberland Fire District

Cumberland Fire Department 3502 Mendon Road Cumberland, RI 02864

Please accept my sincerest appreciation to your department for providing apparatus coverage for the wake and funeral of our firefighter Richard Gemma. Richard's death in a sudden and tragic accident had a profound impact in our department.

Your apparatus allowed our entire department to attend services together as a group which was invaluable in our grieving process. No department can take on a task of this magnitude and still provide services to our citizens.

I am grateful for our personal and professional relationships, and the departments who assisted truly epitomize not only the term "mutual aid" but also the term brotherhood and caring for others.

Thank you.

Sincerely,

Setu JAAMb
