The Chief's Report mentioned that Engine 5 and Ladder 1 had major expenses. A head gasket and engine overhaul were being completed at S & D Road Service for no more than \$17,000.00. Ladder 1 is at Ralco Repair for a wiring harness issue. The Chief's Report also mentions that COVID-19 has struck the fire department on two separate occasions in the month of October. will offset that line item once the funds are received. He will file a claim up to December 31, 2020 for the costs incurred up to that date.

Chief's Report for November 2020

Board of Commissioners
Cumberland Fire District
November 24, 2020

Commissioners,

You will find in the attached document, the Cumberland Fire District responded to 382 calls for service. Calls are slightly higher than the previous month; we had two remarkable weather events with trees down and multiple fire alarms activations.

The Town of Cumberland Food and Liquor License Renewals have been inspected by Cumberland Fire for compliance. Deputy Chief Michael Feather and Administrative Assistant Keri Smith have been working tirelessly obtaining this information. Deputy Chief Feather is responsible for completing over 100 inspections, this is an added workload to his normal duties as the Training Coordinator and EMS Officer for the department.

The department vehicle fleet took additional hits this past month. Engine 5 and Ladder 1 both have had major expenses. Engine 5 has approximately 100,000 miles on the engine with over 10,000 work hours. A head gasket and an engine overhaul are currently being performed at S & D Road Service. The cost of this engine rebuild is no more than \$17,000. Engine 5 is a 2009 for reference. Ladder 1 is currently at Ralco Equipment Repair for a wiring harness issue. We are using one front line piece and three reserve engines. Notably, we have not had all front-line pieces in service at once since July.

Station 1 in the Valley Falls section, has a new flagpole. Armando Pires contacted my office after his Eagle Scout project fell through due to the COVID-19 Pandemic. Armando noticed the station had no flagpole and inquired about how he could help. I put him in touch with the Station Captain, James Bardsley. The two worked together forming a base and monument for Cumberland Firefighters. A new flagpole was made by Jahn's

Craft Metal of Cumberland. Sitework and coordination of all efforts were handled by Lieutenant Christopher Smith. The story was covered by Channel 10 on the nightly news. <https://turnto10.com/news/coronavirus/show-us-something-good/cumberland-teen-installs-new-flag-pole-at-fire-department-after-old-one-was-knocked-down>

COVID-19 has struck the department on two separate occasions for month. The first incident was a firefighter who tested positive with symptoms and required four additional firefighters to be quarantined. The second incident had two covid positive firefighters with symptoms and one additional firefighter quarantined. All firefighters are doing well and recovered.

According to the National Fire Protection Association, Thanksgiving is the peak day for home cooking fires, followed by Christmas Day, the day before Thanksgiving, Easter, and Christmas Eve. In 2018, U.S. fire departments responded to an estimated **1,630** home cooking fires on Thanksgiving, the peak day for such fires. I would ask you all as well as the citizens to not leave kitchens unattended as you are preparing this year's meal.

I wish you all a safe, healthy, and Happy Thanksgiving.

Respectfully submitted,
Acting Chief Anderson

Chief's Report for December 2020

Board of Commissioners
Cumberland Fire District
December 11, 2020

Commissioners,

You will find in the attached document, the Cumberland Fire District responded to 417 calls for service during the month of November.

The month of November showed two more cases of COVID-19 for our firefighters. As mentioned previously, overtime reimbursement will be handled by the CARES ACT. Our injured-on duty status for non-COVID-19 related injuries/ illnesses, shows three firefighters recovering from surgeries and one awaiting a surgery. We have two additional on using their own sick time for off the job illness/ surgery.

Firefighters are in the process of renewing their emergency medical technician licenses. This license as well as all required training is done web based to limit exposure of COVID-19. CFD routinely uses a web-based program for training our members.

Covid-19 vaccines will begin at the end of December for CFD members. A high percentage of firefighters are willing to take the Pfizer vaccine. This is a two-shot series, I have been working with Cumberland EMS and Cumberland EMA to scheduling.

I want to wish you all a safe and happy holiday season.

Respectfully submitted,
Acting Chief Anderson
