Chief's Report for January 2021

Board of Commissioners Cumberland Fire District January 26, 2021

Commissioners,

You will find in the attached document, the Cumberland Fire District responded to 403 calls for service during the month of December. Also attached is a summary of calls for service for calendar year 2020. Total for 2020 was 4512 calls. This number was lower than previous years due to the pandemic. It is notable there was a significant increase in all fields, the only decrease being ems calls.

Nineteen firefighters are attending a Rhode Island Fire Academy class at the Cumberland Public Safety Complex. The members will be certified as NFPA 1041, Fire Instructor 1. This national certification was paid for by the 2019 FEMA AFG grant. Once completed, many will continue to NFPA 1021 Fire Officer.

The Equipment Committee conducted field trials with vendors at the Rhode Island Fire Academy. This new equipment will change our deployment strategies at structure fires to meet our current needs.

This next AFG request will be for radio equipment upgrades. Our current inventory at fifteen years old is starting to fail. These radios are no longer able to be serviced with new parts, they are not intrinsically safe, and operability with mutual aid is now being affected. On New Years Day, I responded along with our Engine 4 to Burrillville. A mayday was called by a firefighter as Engine 4 arrived, they could not hear the transmission due to the lack of operability. The firefighter ended up being safe, but this is unacceptable. When I arrived, I stood by the incident commander so I could talk to our firefighters as they had no communication while doing interior firefighting. Communities such as Central Falls, Lincoln, and Woonsocket have upgraded to this new

system. Cumberland Police and Cumberland EMS have also upgraded their radios since the 2004 purchase.

Today marked the start of our firefighters receiving their second Moderna vaccine. CFD had high turnout compared to some communities.

Respectfully submitted, Acting Chief Anderson
