Chief's Report for February 2020

Board of Commissioners Cumberland Fire District February 20, 2020

Board Members;

Attached are the monthly reports of activity for the month of January. The run report shows slight decrease from December, 435 calls for service: however, an increase in structure fires (December 7 structure fires, January 13 structure fires). The incidents are broken down by category with an attached report.

January 30th CVS Health presented the Cumberland Fire District a \$1000 donation for the Cumberland Water Rescue and Recovery Team. This donation will be used for equipment as members have been using their own personal gear for over twenty years with no funding.

February 12th, Senator Ryan Pearson announced a FY2020 Senate Legislative Grant to the Cumberland Water Rescue and Recovery Team for \$6500. This grant was awarded for Underwater Communications for the dive team.

Grant Committee members are finalizing their drafts for Assistance to Firefighters Grant (AFG). As mentioned, this year's grant request will be for professional development to NFPA standards and equipment standardization for apparatus.

I am pleased to announce the Cumberland Police, Cumberland EMS, and Cumberland Fire will now be holding monthly Command Staff meetings on topics relating to public safety and community welfare.

February 18th, Firefighter Emily Andrews and Firefighter Timothy Bowe successfully completed their one-year probationary period. FF Andrews and FF Bowe both have proven themselves on numerous scenes, training evolutions, and other department activities.

Testing for Lieutenant and Captain will be held on February 26th. We are currently advertising for the position of probationary firefighter for a March test date.

Respectfully submitted, Acting Chief Anderson
