Life Safety Inspection Requests

1. Visit <https://cumberlandri.portal.opengov.com/>
2. Scroll down to the bottom of the page
3. Click '**Explore**' on the Fire Department
4. This will bring you to the Fire Department page
5. On this page, click '**Select**' for New Life Safety Inspection
6. Once on the page, click '**Apply Online**'
7. Fill out the application in its entirety
8. Please email inspections@cumberlandfire.org with the record number (e.g., LSI-24-001), your contact information, the property's address, and 2-3 preferred dates and times for the inspection. After reviewing the application, the inspector will email you back with an open date and time.
9. If the application is complete, the inspection will be scheduled within the portal and added to our inspection calendar.
10. An inspection fee of \$100 is automatically calculated.
 - a. 1st inspection fee is \$100
 - b. Follow-up inspections are \$100
 - i. The follow-up inspection fee will be waived if all deficiencies are corrected within the time frame set by the inspector.
